In re: K234AH, Cheyenne, WY
Facility ID No. 71817
Silent Since January 7, 2010

Request For Extension of Special Temporary
Authority To Remain Silent

Dear Mr. Michael:

This letter concern the request, filed on August 30, 2010, on behalf of Mountain Community Translators, LLC ("Mountain"), for Special Temporary Authority to permit FM Translator Station K234AH to remain silent.

Commission records reflect that K234AH went silent on January 7, 2010, due to its Primary station experiencing technical difficulties. On January 11, 2010, Mountain requested a STA for the station to remain silent until the primary station resumed broadcasting. The STA was granted March 3, 2010, and expired August 30, 2010. Mountain's current request states that the primary station hasn't resumed broadcasting, but has filed a modification of construction permit application and will return to normal programming once construction is complete. Accordingly, Mountain requests that the STA be extended. Mountain's request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.

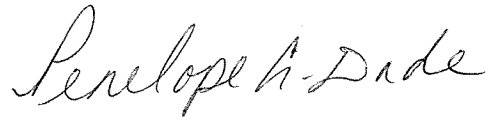

Mountain's request will be granted. Accordingly, Special Temporary Authority is granted to permit Station K234AH to remain silent until January 7, 2011. **Notwithstanding the grant of this special temporary authority, the broadcast license for K234AH will automatically expire as a matter of law if broadcast operations do not commence by 12:01 a.m., January 8, 2011.**¹ See Section 312(g) of the Communications Act, 47 U.S.C. Section 312(g).

¹ Notification of resumption of broadcast operations must either be electronically filed or mailed to:

Federal Communications Commission
Attn: 1800B3-DW, Room E-B450
445 12th Street, S.W.
Washington, D. C. 20554

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. Finally, we note that it is imperative to the safety of air navigation that any prescribed painting and illumination of the station's towers shall be maintained. See 47 C.F.R. Sections 17.6 and 73.1740(a)(4).

Sincerely,
